

Norton Motorbikes

1962 Manx Norton 350cc

Bike supplied to Blays of Twickenham, Engine supplied by Norton to Eric Oliver.

Unusual opportunity to acquire a Manx which is unmolested from the period in which they were at their height of popularity...
6th last Manx built

Lot No: 5

Sold: £20,000

Circa 1937/8 Norton 600cc sidecar racing outfit

This sidecar outfit was purchased in a sale of very important bikes and cars conducted at Montalto Estate on 11th September 1982, note the unusual twin drum front brake arrangement. We have had many enquiries about this machine and have to advise that it has been made up using an ES2 frame. In order to fit the 600cc engine, the top tube of the frame has been cut, modified and welded.

Lot No: 6

Sold: £5600

Circa 1939 500cc MANX NORTON

This bike was purchased at the Auction sale of the estate of well known and respected collector, the late William McClay. Simply a very original and unmolested early Manx in lovely as used condition.
